Friday March 13, 2020

Dear Mulberry Grove School District #1 Parents and Staff,

By directive of Governor Pritzker, effective Tuesday March 17, 2020, all Mulberry Grove District 1 facilities are CLOSED through at least March 30. According to the Governor, It is time for us to take this important step to minimize the spread of COVID-19. Below is some specific information related to this closure.

- All activities are cancelled. Any organization that use our facilities (sports groups, etc) will not be permitted to meet until further notice.
- On Monday March 16th we will inform the students and parents of at-home learning opportunities that will cover 5 days of closure. Students and parents are encouraged to do what they are capable of working on considering the circumstances. Information for more than 5 days will be forthcoming as that time draws closer.
- We will continue to utilize school messenger, our website and Facebook page for further information.
- If your child qualifies for free and reduced lunch, we are working on possible ways to still be able to offer some type of lunch to students. Definite plans are in the planning stages at this point. More information will be made available when we are closer to having those plans in place.
- Staff members should monitor their District email for additional information.

Mulberry Grove Schools will be in regular session this Monday March 16th. Thank you for your patience and cooperation during this unprecedented situation.

Sincerely,

Stephen L. Phillips, Superintendent
Mulberry Grove School District # 1
